The Tobacco Market.

It is current report through-
out the county that the tobacco
market is badly off. These re-
ports have, to say the least, been
somewhat exaggerated. While
there have been some rejections,
an majority of farmers who
have sold have been satisfied.
According to the papers and re-
ports given buyers here the
market here is holding its own
better than any market in the
State. The market will close
down tomorrow and will not
open until Friday of next week.

Color seems to be in better de-
mand on our market than it has
been for past years. We quote

10c; common house turned, 3
to 6c; fancy bright leaf 14 to
22c; good bright leaf 14c, com-
mon 10c, good red leaf 10 to 12c;
medium red leaf 7 to 10c; short
tips 3 to 5c; green 14 to 16c.

On next Saturday we are to
have a great sale in Spring-
field. Mr. E. S. Mayes, Jr. will

The Durocs of Maple Tree farm
have a reputation all over the
United States. Mr. Mayes has

ble in the breed. They have the
Great Defender the greatest liv-
ing boar at the head of his herd.
It will be a great sale.

Wolford
Mrs. Bessie Wolford died at
her home here last Friday after
a lingering illness of Tubercu-
losis. She was, prior to her mar-
riage to Mr. Charles Wolford, a
Miss Newcomb and was a native
of Taylor County, Ky. They
had been living here about two
years and Mrs. Wolford was
highly regarded by all here. She
was 23 years of age and had led
an exemplary life. Funeral
services were conducted at
Campbellsville Saturday and
burial was in the cemetery there.
She is survived by her husband
and one son.

McConnell
Mr. Philip McConnell died at
his home here last Sunday night
after a short illness of a large
size. His death came as a surprise
of a shock as but few people were
aware of his being ill. On
Tuesday morning he came home
from his work complaining and
from that time on continued to
grow worse.

Mr. McConnell was 68 years
of age and was born in Scotland.
With his parents he emigrated
to this country shortly before
the war. When 16 years of age
he enlisted in the 1st Ky. Cav-
alry. He served valiantly
through the war; 12 years ago
he was married to Miss Mary
Trainer, who died last June. He
is survived by six small child-
ren.

For several years past Mr.
McConnell has been engaged in
the revenue service. He was a
quiet good man, who at all times
attended with scrupulous exact-
ness to his own business, giving
himself no concern about the
business of others. He was a
man of most amiable disposition,
kind and merciful always. Fun-
eral services and burial were
conducted at St. Dominic's Tues-
day morning at 9 o'clock.

"Troubles Never
Come Singly."

Also Grant met with a pain-
ful accident Saturday. As he
stepped from the bed of the cy-
linder press on to a stool, the
stool tilted throwing him against
the gasoline engine, inflicting
several bad bruises, besides
breaking two ribs. He was
taken home and Dr. Hanchett
ministered to his wound, from
which he suffered excruciating
pain for several days.

Sunday the barn and out-
houses at the family home burned
together with a number of busi-
ness of oats and other useful ar-
ticles, such as tools, etc., and
some hay. There was no in-
surance.

Tuesday the apparatus at-
tached to the engine used in
running the machines of the
office by means of belt fell to the
floor breaking the gasoline en-
gine and doing a quantity of
damage to the stove. This is the
largest batch of bad luck that
has fallen to the Grant family
since they have been in Greenup
and we humbly ask the general
public to overlook the shortcom-
ings of the Press this week until
we can get a start from these
disturbances.

The above is taken from the
Press of Greenup Co., Ill., a paper
published by O. B. Grant and
Sons. The Grants are well re-
membered here. Prof. O. B.
Grant having been principal of
the Springfield school for many
years.

Farmers Tobacco Warehouse Company

INCORPORATED

SPRINGFIELD, KY.

If you want the very highest market price bring your tobacco to us.

LET US TELL YOU OUR SECRET

We have in our employ a large force of experienced warehousemen who are familiar with all the branches of the business. As an Auctioneer we have one of the finest in the South, Mr. Bingg Cannon, of Greenville, N. C., who is known throughout the Carolinas as the "Silver Tongued Auctioneer." Our Floor Manager has had a life experience in the tobacco business and is familiar with all types and grades of tobacco and boasts every basket of tobacco to make it bring its full value.

Every basket of tobacco entrusted to our care is carefully assorted and packed by experienced men so as to make it show to the best advantage. Skilled packing and handling enables us to guarantee to the buyers every pound of tobacco that is put on our sales floor thereby guaranteeing to the seller the highest prices. We have a large and efficient office force which enables us to pay off our sales as fast as the tobacco is sold and to avoid the long wait and confusion that he will find at other places. This is our secret and why we have positively lead them all.

SPRINGFIELD IS THE MARKET. "FARMERS HOUSE" IS THE PLACE.

So keep this in mind when you load your tobacco for market and drive straight to the Farmers Warehouse which is open NIGHT and DAY and where you will always find first-class scales and best accommodations. Our market will open about May 1st, with the strongest array of buyers in Kentucky comprising all the leading tobacco companies of the world, viz: The American Tobacco Co., J. P. Taylor Co., R. J. Reynolds Tobacco Co., J. G. C. T. Co., and many independent brokers. This is a fact that is true of none of our neighboring markets as Springfield is an established market and the large companies have placed their interest here. We respectfully solicit your patronage and in view of the foregoing facts it is to your interest as well as ours to remember the "FARMERS WAREHOUSE," Springfield, Ky.

The house that positively lead them all by over three hundred thousand pounds

THE FIRST STEP OF REDEMPTION
The first step of redemption is to be taken by the sinner himself. He must first be brought to the knowledge of his sin, and then he must be brought to the knowledge of God's love and mercy. This is the first step of redemption, and it is the most important one. Without it, no other step can be taken.

THE FALL OF BABYLON
The fall of Babylon was a great event in the history of the world. It was the fall of a great city, and it was the fall of a great empire. It was the fall of a city that had been built on the ruins of other cities, and it was the fall of an empire that had been built on the ruins of other empires. It was the fall of a city that had been built on the ruins of other cities, and it was the fall of an empire that had been built on the ruins of other empires.

BOB PARLEY STOPPED the letter over the back of his black neck, and handed it to his father. With the exception of the winter day seemed to gain rapidly in the gloom.

Glancing up, he caught the flutter of a woman's skirts at the side of the road.

"Why that," muttered Bob, "must be that little white girl. Isn't it like old Mary White to send that child to town about a day like this?"

The white girl had always been hand, some people, however, much to themselves. The girl had been hand, some people, however, much to themselves. The girl had been hand, some people, however, much to themselves.

Pains All Over!

"You are welcome," says Mrs. Nora O'Leary, of Broken Arrow, Okla., "to use my letter in any way you want it. It will induce some suffering woman to try Cardui. I had pains all over, and suffered with an abscess. Three physicians failed to relieve me. Since taking Cardui, I am in better health than ever before, and that means much to me, because I suffered many years with womanly troubles of different kinds. What other treatment I tried, helped me for a few days only."

TAKE THE CARDUI The Woman's Tonic

Don't wait, until you are faked down sick, before taking care of yourself. The small aches and pains, and other symptoms of womanly weakness and disease, always mean worse to follow, unless given quick treatment.

You would always keep Cardui handy, if you know what quick and permanent relief gives. Where weakness and disease of the womanly system makes life seem hard to bear. Cardui has helped over a million women. Try it.
